Chapter 1 by ChemicallyInsane

Beauregard Cave was angry, very angry. He raked a hand through his hair and as always it bounced back into place. "Merde ces membres de gangs . Ils ne semblent jamais se laisser aller ces petites choses . Il ya combien de temps était-ce? Ya 4 ans, 5 ans ? " He paced back and forth in his New York apartment for so long he was sure there was a large rut in the now very thin beige carpet. His dog growls just before somebody knocks on the door. He opens it and their stands Daniel Carnes. "What do you want?" Daniel cocks his head to the side. "You have owed me sometim for a long time Cave." He smirks and forces Beauregard inside the house. Maverick (His dog) growls at Daniels entrance.
